

Speaking Topics

As the author of “Pet Whisperer”, a full-time Animal Communicator/Healer and Trainer for the Bi-Aura Therapy Foundation (Bio-Energy Therapy), Sarah-Jane is passionate about raising awareness of these potentially life-changing areas of work. She aspires through speaking, demonstrating and teaching to raise individuals’ beliefs that they too can do what she does.

Sarah-Jane speaks and teaches with authority and expertise on the following topics:-

- **Intuitive Animal Communication**
 - Preparing to Communicate with Animals
 - Understanding How Animals Communicate
 - Blocks to Communication
 - 3 Simple Steps to Getting started

- **Working with Energy – healing for people and animals**
 - Understanding Chakras
 - Experiencing Energy Flow
 - Self-Healing
 - Healing for others/animals

These inspirational talks and demonstrations are pitched at a variety of levels depending on the audience and the time allocation. Sarah-Jane has experience of speaking to audiences of young children right through to “Young At Heart” age groups.

Intuitive Animal Communication

Through the telling of her own inspirational story of discovering Animal Communication, Sarah-Jane captivates audiences by taking them on a roller-coaster ride of discovery and intrigue, demonstrating that each and every one of us has the capability of learning how to lovingly and intuitively communicate with animals.

When teaching, her compassionate and encouraging style supports students in breaking through their blocks, accessing that inner sanctum where they too can create a bridge of love and communication to the animal world.

Working With Energy - healing for people and animals

Depending on the audience, Sarah-Jane can pitch this at a variety of different levels . Using engaging and interactive exercises, Sarah-Jane encourages the audience to experience energy working and flowing for themselves.

Sarah-Jane’s relaxed style of teaching encourages participants to understand and trust their own energetic responses. Thus supporting them in finding a style that resonates most for them.
